|--------------------|---------------------|
| Item #: | 13-03098-14-02 |
| Dimensions: | 14 dia x 57.5h |
| Finish: | G06 - Valencia gilt |

When we came across a single antique candlestick stashed in the back of one of our favorite shops, we didn't see half of an old pair—we saw the beginning of one incredible lamp. We re-proportioned and removed decorative elements to create a more balanced shaft, then simplified the base to help draw the eye upward. Later, we adjusted proportion and finish to create our floor lamp. Thus from that one, original candlestick came an unexpected pair of lighting designs.
